

**Annual Report
of the
Town of**

**GOSHEN
NEW HAMPSHIRE**

**For the
Year Ending**

December 31, 2003

Designed and printed by the
Graphic Ink Design Studio of Newport High School

To: **Goshen Residents**

From: **Town Clerk/Tax Collector and Administrative Assistant**

It has come to our attention that you, the residents of Goshen, may have concerns regarding the hours, policies, and needs of your Town Office. We would like to take this opportunity to address some of those concerns.

The many duties of the Town Clerk/Tax Collector include issuing motor vehicle registrations and titles, issue passenger plates, and renewal decals as a courtesy to the residents. The Office also issues dog licenses, marriage licenses, birth and death certificates. We publish all zoning and sub-division regulation booklets and Transfer Station Coupons 'in house'. This is less expensive than paying an outside printer as we have in the past. Our office also issues Transfer Station Permits and manages all revenues generated by the Transfer Station.

This office is responsible for the billing and collection of the following taxes: Timber Tax, Current Use Penalty Tax, Excavation Tax on Materials, Property Tax, Tax Liens, Tax Deed Sales, recording and release of liens. We compile the State required Tax Collector's Report, which records the Town's revenues and is submitted annually to the Department of Revenue in Concord, NH. We do all property transfers and updates. We also type and record minutes of Town meetings, manage and update tax maps and property listings, handle all calls and questions, as well as sale of town items including History of Goshen books & supplements, Videos, T-Shirts, Raffle tickets, etc. As a note, all employees in this current office are Public Notaries.

In the past, we have also produced all the pages in the town reports, and last year began to publish the full report ourselves 'in house' to save the town money and hopefully produce a better report. This year's town report contains the requested listing of taxable properties adding over \$800.00 to the total cost of producing the report.

The Administrative Assistant to the Selectmen is responsible for the AP/AR (accounts payable/receivable), prepares all timber tax paperwork, (intents, reports, and assessment of tax), all property transfers and updates, elderly exemption applications, veteran's exemptions, town payroll and insurance (medical, dental, vehicle, buildings), retirement, child support payment deductions (when necessary), personnel files, state and local audits, current use releases, and tax assessment forms. This position also manages Property Inventories, (labeling, stamping, recording changes), assignment of ballot clerks, elections issues, all town related advertising, transfer stations issues, (certification classes, billing, etc), AP/AR for the highway, fire, and police departments, coordinates with the town treasurer, handles selectmen's issues, meeting minutes, schedules the agenda for Monday meetings, handles correspondence and follow-ups, town hall rental, town report pages, contacts for quotes and employment positions, all state reports, budgets, revenues, pistol permits, etc. All questions for selectmen go through the Administrative Assistant first. We are the "hub" for the town, and we 'multi-task' most of the time.

Shown in Photo from Left to Right:
Wilbur Hodgman, Don Hurd, Harold "Skip" Hawkins, Billy Harold, John Chartier, Norman "Buck" Trudeau, Frank Hodgman, and Bert Teague. Some Veterans missing from photo.

We are asking for new software because our software provider, BMSI, has discontinued the older "DOS" version and updated to a "Windows" version with many improvements. They will no longer support the older version after December 2004. The main computer is a 5 year old Pentium II and will not run the new software. As the two computers in the town clerk office share the software they must be networked. From experience we have found that it is much easier to network 'like' computers. The Administrative Assistant's computer must have new software as the State of NH has discontinued the "CAMA" tax assessment program and will no longer support it after June 30th, 2004. The new software is necessary for the re-evaluation of property scheduled to take place by 2005. If the computer in that office is also the same it will be possible to network that one to the tax collector's and this will enable the assessor's changes to be automatically updated whenever any changes are made to property values. This will be essential with the re-eval taking place. Our personal size copier has about 100,000+ copies on it in just 3 years and will continually increase. Please support the office staff on Warrant Articles 8,9,& 10.

We must prepare ourselves for the growth taking place in our town. The portion of work assigned to the Town Clerk position increased 4% in the past year and 132% in the past 10 years. This does not include the increase in property transfers or tax business. Our town is growing quickly and will continue to. Take a ride through the town and on the back roads and look at the changes taking place. It will surprise you.

We have also discussed implementing extended hours for the Town Office. We feel that there are many safety issues which need to be addressed, such as: no second exit in case of an emergency, no emergency lighting if power is lost after dark, non-secured area for office employees and confidential information, and poor outside lighting, which currently would make evening hours unsafe. We believe if these safety issues were addressed extended evening hours would be possible. A previous attempt to have the office open the last Saturday of each month was made during the summer of 1999. At that time very few residents took advantage of the hours. However, with the continued growth of Goshen and the increased work, this may be something we could try in the future if we had support from townspeople.

If you have any concerns or questions about office hours or policies, or Warrant Articles 8,9,or10, please feel free to stop by and discuss it with us. We look forward to continuing our service to the people of Goshen, and wish to help you with any concerns you may have.

Watch for exciting changes at your local library!

Planning Board meets the first & last Tuesday of each month.

Zoning Board meets on the second Tuesday of each month.

Conservation Commission meets on the last Thursday of each month at 7:30 pm.

Report of the Selectmen

In retrospect the year 2003 was a remarkable year of great events, honors, achievements and the advancement of the Public Works.

No Select Board can complete the mission and goals of the Town without the good work of all the individuals that serve, volunteer and work for the betterment of the Town of Goshen.

This past year is no exception. All the people that work in the Town Office, Highway Department, Transfer Station, Police and Fire Departments, Library, various groups, clubs, Committees and every governing board that performs the work of the Town. They clean the Town Hall, maintain the roads, keep law and order, save homes and lives, count our votes, lend books, collect taxes, paint and restore the Grange Hall, plant flowers and guide the policies that drives the Town forward.

We do not always agree or see issues in the same way, but without their collective work, the Town would not function. We owe all these individuals a great deal and a heartfelt thank you to each and everyone. Also a note of appreciation needs to be extended to the businesses in Town that through their generosity supports many of the activities in our Town.

This year the Town came together to present long overdue Honors and Metals to our WWII Veterans. Old Home Day was an outstanding day of celebration with Army units, helicopters, Air Force F16 fly-overs, exhibits, a great parade and a terrific film about our citizen soldiers of WWII. We have come together again to bid farewell and a safe and speedy return to a new generation of citizen soldiers that are going to serve for us in a new fight against terrorism in the far reaches of our world.

With this collective strength, the Select Board will continue to do its part in 2004 to guide the Town – now – and for the future.

Personally, I have been proud and honored to serve as Chairman of the Select Board and to work with Herbert Bennett and Sherri Moen and the entire organization that comprises the Town of Goshen, New Hampshire.

Respectfully,

James R. Carrick

Henry G. Beaudry

Henry Beaudry moved to Goshen in 1994 with his wife and five children. In 1995, Henry joined the Goshen Fire Department and then soon became 1st Lieutenant. Henry was also a Deputy Forest Fire Warden. Henry was the type of man that was always anxious and waiting for a fire call.

In his spare time, Henry enjoyed mowing his lawn and playing with his grandchildren. As many of you probably remember passing his home, you would see him on his lawn mower with a cigarette in one hand and a coke in the other. Henry would also mow the Goshen Community Church's lawn just because he loved to help people when in need. There were many times you would see Henry pushing his snow blower down the edge of the road to go to the Fire Department and clean up.

Henry was very well liked in Town and everyone was happy to see him coming. He was one that led many in Town without even knowing it. He just thought he was "Henry", but really he was a special man to everyone.

You may be gone Henry, but you are not forgotten and we all know you will still be helping people in need.

Daniel Hunter

When a person meets Dan Hunter, they may not be aware, but they are meeting a real piece of Goshen, NH. He is strict, and unchanging in a manner all his own. When he opens this year's town report, he'll probably beat feet down to the Town Office to tell them there has been some mistake. His sense of humor is one of a kind, and you had better have a keen ear, or you are apt to miss some of his notorious one liners- Ask him how he is, and undoubtedly he will tell you he is somewhere near grumpier than a caged hen in a cornfield, all the while wearing a mischievous grin, looking you right in the eye, waiting and listening intently for your reply. Dan's many attributes include honesty, hardworking, intelligent, reliable, dependable, an all around Jack- of- all- trades. Dan purchased the Hunter-Nelson wheelbarrow business in 1966 and has been known for them ever since. Dan just may have put the "Y" in "Yankee". Goshen wouldn't be the town that it is today without this fun, interesting and downright charming individual who has helped out in so many different ways. Dan has been on the Goshen Planning Board, Budget Committee, Supervisor's of the Checklist, a Cemetery Trustee, a Forest Fire Warden and was a member of the Goshen Fire Department for forty plus years. He also worked at the transfer station as a attendant and helped transform the transfer station to what it is today. We are glad to dedicate this year's town report to such a deserving, wonderful man.

TOWN WARRANT

TOWN OF GOSHEN The State of New Hampshire

THE POLLS WILL BE OPEN FROM 10:00 AM TO 7:00 PM on Tuesday, March 9, 2004

THE BUSINESS PORTION OF THE MEETING WILL BEGIN
AT 6:30 PM on Saturday, March 13, 2004

To the inhabitants of the Town of Goshen in the County of Sullivan in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Goshen Town Hall in said Goshen on Tuesday, the 9th day of March, 2004, between the hours of 10:00 AM and 7:00 PM to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. Sale of Used Vehicles

To see if the Town will vote to amend the Zoning Ordinance by providing for the limited sale of used motor vehicles in all districts as proposed by the Planning Board in Amendment No. 1. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 1, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This ordinance adds a provision to Zoning Ordinance Section V, Commercial Use, to allow sales of used motor vehicles in any district without a permit, provided that no more than one vehicle may be offered for sale at one time, the total number of days per year in which the vehicle is offered for sale cannot exceed 183 days, and the motor vehicle which is offered for sale cannot be parked in the highway right-of-way except in a driveway."

{ }
YES

{ }
NO

3. Steep Slope Development

To see if the Town will vote to amend the Zoning Ordinance by adding provisions to regulate development on steep slopes, as proposed by the Planning Board in Amendment No. 2. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 2, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This ordinance protects public roads and the environment from damage that may be caused by development on steep slopes. It amends Zoning Ordinance Sections III.B.5 and III.B.6 to extend the steep slope building provisions that now exist for dwellings so that they apply to other types of buildings as well. This ordinance further adds provisions that require storm water management and reclamation plans for proposed development projects on slopes of 15% to 25% and provisions that limit development on slopes of 25% or greater to uses such as recreation, agriculture, forestry, and mining which do not require the construction of buildings and roads."

4. Off-Street Parking

To see if the Town will vote to align the Zoning Ordinance with the Goshen Subdivision Regulations by adding off-street parking regulations, as proposed by the Planning Board in Amendment No. 3. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 3, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This amendment brings the Zoning Ordinance into alignment with the Goshen Subdivision Regulations by specifying requirements for off-street parking. It amends Section II to define "Parking Space" as an area of 10' by 20'; it amends Section III.B.1 to require that all new residences shall provide at least two off-street parking spaces per dwelling unit; and it amends Section V.C to require that all new businesses shall provide off-street parking to accommodate anticipated patrons and employees."

{ }

NO

5. Groundwater Protection

To see if the Town will vote to amend the Zoning Ordinance by adding provisions to protect groundwater sources of existing and future public drinking water, as proposed by the Planning Board in Amendment No. 4. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 4, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This addition to the Zoning Ordinance seeks to protect existing and potential groundwater sources of public drinking water by adopting provisions recommended by the New Hampshire Office of State Planning to regulate land uses which could contaminate or contribute pollutants to designated wells and aquifers. This ordinance requires proper handling and storage of potential pollutants and prohibits land uses such as waste disposal facilities and junkyards within a wellhead protection zone or over an aquifer. The intent is to protect public drinking water supplies from significant potential sources of contamination. Private residences are exempt from these regulations. Other exemptions include activities such as the storage of heating fuels for on-site use, storage and use of office supplies, and business uses of regulated substances which are stored in containers of less than five gallons."

{ }
YES

{ }
NO

6. Building Permit Application Details

To see if the Town will vote to amend the Building Ordinance to require that building permit applications provide sufficient details, as proposed by the Planning Board in Amendment No. 5. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 5, as proposed by the Planning Board for the Goshen Building Ordinance, as follows: This amendment to Building Ordinance Section 3 requires that the description and plan of a permit application shall

contain detail that is sufficient to enable the Building Inspector to assess its compliance with all provisions of the Town's Building Ordinance as well as current state and federal regulations."

{ }
YES

{ }
NO

7. Editorial and Minor Changes

To see if the Town will vote to amend the Zoning Ordinance by making editorial and other minor revisions which do not change the substance of the ordinance, as proposed by the Planning Board in Amendment No. 6. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 6, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: The purpose of this amendment is to make editorial corrections, and minor clarification revisions, none of which alter the substance of the ordinance."

4442 Direct Assistance	10,055.00	10,055.00
Total	14,655.00	14,655.00

21. To see if the Town will vote to raise and appropriate the following sums for Cultural, Recreation and Conservation: (Majority Vote Required)

	Selectmen's <u>Budget</u>	Budget Committee <u>Recommends</u>
<u>Account No.</u>		
4550 Library	10,197.00	10,197.00
4583 Patriotic Purposes	300.00	300.00
4619 Conservation	1,000.00	1,000.00
Total	11,497.00	11,497.00

22. To see if the Town will vote to raise and appropriate the following sums to be placed in established Capital Reserve Funds: (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

	Selectmen's <u>Budget</u>	Budget Committee <u>Recommends</u>
Highway Heavy Equipment (1994)	2,500.00	2,500.00
Construction & Recon. Of Bridges (1992)	5,000.00	5,000.00
New Highway Truck CR (1990)	5,000.00	5,000.00
Police Cruiser (1978)	5,000.00	5,000.00
Total	17,500.00	17,500.00

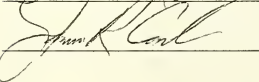

23. To see if the Town will vote to raise and appropriate \$50,000.00 (gross budget) for the purpose of the revaluation of the Town, and of this amount to authorize the withdrawal of the sum of \$25,000.00 from the Revaluation Capital Reserve Fund, with the remaining \$25,000.00 to be raised by taxation. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.
24. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the purpose of restoring the Town Hall. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.
25. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of funding Goshen Old Home Day activities. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.
26. (Petitioned) To see if the voters will approve the reclassification of De Ro Road from Class VI to Class V, starting from the intersection of said Road with Ball Park Road to a point 1500 feet south westerly thereof, pursuant to RSA 231:22-a. (Majority Vote Required)
27. (Petitioned) To see if the voters will approve the acceptance of Meadow Road, a private road, as a Class V Town Highway, starting from the intersection of said Road with Old Lempster Coach Road to a point 500 feet westerly thereof, including the cul-de-sac at its westerly end, as that road right-of-way is shown on a subdivision plan, approved by the Town of Goshen Planning Board, entitled "Meadow Road Subdivision" dated 6/28/99. (Majority Vote Required)
28. To see if the Town will vote to authorize the Board of Selectmen to dispose of used equipment no longer utilized by the Town. This may be done by sealed bid or public auction with the money received to be deposited into the general fund. (Majority Vote Required)
29. To take up any other business as may legally come before this meeting.

Given under our hands and seal, this 23rd day of February, in the year of our lord two thousand four.

Conservation Commission

The Goshen Conservation Commission continues to administer properties at Gunnison Lake/Williamson Park, Rand Pond Beach and Goshen Memorial Park. In the Spring of 2004 it plans to hold an informational meeting for the public on open space and conservation easements.

Members: Bea Jillette (Chair), Bob Blackwood (Secretary), Gary Stansfield (Treasurer), Gary Dennis, Dick Hamilton, Charlie Bailey, Cathy Moen. Alternate: Lois Stevens.

The Conservation Commission conducts a site visit before foundation and retaining wall work begins at the Goshen Grange Hall.

Conservation Commission members accompany an Ausbon Sargent Land Protection Trust volunteer on a monitoring visit to Goshen Memorial Park.

Trail maintenance is a continuing job on the 3-mile trail around Gunnison Lake / Williamson Park.

Goshen Cemetery Commission
2003 Annual Report

This past year saw a renewed level of involvement by a variety of individuals and organizations with our local Goshen cemeteries. In May the Cemetery Commission hosted the spring meeting of the New Hampshire Old Graveyard Association. The meeting opened with a welcome address by Lars Nelson. Guest speaker for the day was Reggie Shephard who presented an entertaining history of Goshen and the revolutionary war era. After the business portion was completed Reggie led the group on a tour of Four Corners and North Goshen Cemeteries. He had a variety of anecdotes to tell about the early settlers buried there. We received many compliments for an enjoyable and well managed event. Our own Arthur Jillette was elected as the newest president of the NHOGA.

To keep the momentum going we had some very welcome support for our annual Spring cleanup. Our most sincere thank you to Gary Dennis, Marianne Dennis, and Reggie Shepard for helping to haul brush and clear the winter debris away. Much cemetery work is labor intensive and helping hands are needed. Look for the date of this year's cleanup if you are interested. In addition to cleaning there were a variety of lilac bushes planted by the Goshen flower club.

Our major project of the year was the removal of a dozen old white pine tress in the Mill Village Cemetery. This will greatly enhance the appearance of the cemetery and will also protect the integrity of the old stones underneath. We appreciate the time and labor provided by Howard Caron to finish this project. Also completed was the installation of an iron horse railing at the roadside of the cemetery. Materials for the railing were donated by Bratan Robillard. The project was arranged and completed by our newest commission member Ronald Kempton. These improvements make our cemetery not only more attractive but historically correct. Mill Village cemetery was originally known as "The Maples". The horse railing was also an original feature that may be remembered by some of our older residents.

There were five burials conducted in Goshen cemeteries this past year. Any questions regarding lot lines and burials may be directed to Arthur Jillette. Please be aware of state and local regulations that require all burials to arranged through the cemetery commission and properly recorded at the town office. We encourage your work on private plots as long as you have had such work approved by the commission. Our mowing is now being done by TKL enterprises who won the contract by competitive bid. We have appreciated the thorough job done by this local company. We again thank you for your involvement and interest in our Goshen cemeteries.

Respectfully submitted,

Lars Nelson

OLIVE G. PETTIS LIBRARY HONORS GOSHEN'S HEROES

One of the most exciting and rewarding projects of the year started with a request from the New Hampshire Library Trustees Association asking local libraries to record the experiences of its war heroes starting with World War II. When this request was brought up at a January 2003 meeting of the Trustees, Deborah Scranton van Paassen volunteered her expertise to undertake the project. It turned out to be a massive undertaking, necessitating calls to foreign countries, rounding up families of veterans and spending many hours interviewing and recording stories the veterans the veterans had to tell. A grant for the library, written by Deborah, had to be obtained to help defray the expenses and the project culminated in several memorable occasions: one was honoring of Bill Harold and the presentation of long overdue medals by Congressman Bass after Deborah urged Congress to make this award; the second was the film "Stories from Silence, Witness to War" produced by Deborah which showed the veterans telling stories. The film was shown during October Old Home Day celebration attended not only by many veterans and their families, but by hundreds of people who visited Goshen during Old Home Day. Deborah's father, John Scranton, was the driving force behind this highly successful occasion assisted by Ethel Nilsen, librarian, the Library Trustees, the Goshen Grange Committee, the Garden Club, the Historical Society, the Selectmen, the Firefighters, the Conservation Committee, Postmaster Suzi Hastings, the Town Hall employees and the Community Church. It was an affair to remember: flags flew, Stealth bombers roared overhead and the men and one woman who served in WWII finally received the recognition they deserved.

Other events sponsored by the Library may not have created such a town response, but do deserve mention starting with the Rabies Clinic held in March as well as a talk by Dr. Jere Daniels, attended by more than 40 people, about a founding of Goshen and nearby Towns and how the development of Towns in New Hampshire occurred starting in early times.

In late March, Sherri Moen resigned from her position as Library Trustee after a decade of service, but she still offers her help with projects when possible. Another Trustee, Tom Dixon, also, resigned as did Alternates Angela Dimond and Helen Gates. The Trustees want to thank Sherri, Tom, Angela, Helen and Gary Moul, who found he was unable to attend meetings, for their service to the library and the town. To replace these people, Hannah Lockwood and Susan Carrick were appointed as Trustees and Deborah van Paassen and Pat Tornifoglio were appointed as Alternates. Evelyn O'Connor remained as Alternate and Valerie McCormick, Kristin Bartlett, Elaine Bevilacqua and Chairperson Lilyan Wright remained as Trustees.

Librarian Ethel Nilsen wrote a Clif grant to obtain about 100 children's books for the Library. The grant encourages young people to read so the help of Goshen-Lempster Cooperative School was engaged to let Ethel introduce all the books to the children and she followed this with an ice cream social in May when the children were expected to return the books they had taken.

Also in May, Ethel and Hannah Lockwood, Library Trustee, attended the annual conference of the N.H. Library Trustees Association where they received a lot of information about President Bush's Patriots Act. Some of the requirements in this act might infringe upon the rights of individuals signing out books.

One of June's projects was the refinishing of the library floor thus adding to the brightness and attractiveness of the library. In addition, the librarian was directed to purchase many new books both fiction and non-fiction and the librarian refers to these acquisitions in her weekly column in the Argus Champion. She encourages people to visit the library, use the computer and VCR, to sign out for cassettes on books to hear while driving (these make long trips collapse into short

ones), to borrow the latest novels or read the library's impressive collection of historical books and to encourage their children to become avid readers of the large collection of children's books. In June, Susan Carrick, library trustee, attended a required meeting of trustees held annually by the Deputy Attorney General of N.H. to learn about trust fund management, preparation of budgets and money and gift donations. She returned with material for the trustees to study.

Officers of the Library Trustees were elected as follows: Chair: Lilyan Wright, Secretary: Susan Carrick and Treasurer: Kristin Bartlett. Also, at a meeting this summer projects were discussed. The READING ROCKS PROGRAM for young children was organized by the librarian to be held through July and August. The librarian plans reading programs each summer for Goshen's children and she would like to have more children participate. A second project was TRASH DAY held in conjunction with the Conservation Committee. On one Saturday in July armed with trash bags and rubber gloves a group of volunteers cleaned the shoulders and ditches of many Goshen roads then gathered for a pizza party at the Library.

Fall not only brought Old Home Day but also a Halloween party for the youngsters. Hours of planning and decorating saw a disappointing number of children attend alongside last year's attendance. Town Hall was covered with balloons, cobwebs and ghostly posters; lots of food was provided and fun and prizes accompanied the games. The parents seemed to have as much fun as the children.

An updated Trustees manual was organized, photocopied and distributed to trustees by the Chairperson. There is an unbelievable amount of information which trustees have to learn in order to serve successfully.

Christmas time brought snow and a HOLIDAY PARTY complete with a puppeteer who presented how the holidays were celebrated in different religions. Santa Claus made his annual visit and games followed by tasty refreshments completed the celebration.

The year ends with the preparation of the 2004 budget. Chairperson Lilyan Wright distributed copied of the proposed budget requesting for the second year, the extension of library hours to 20 from the present 15 per week. At this writing the Selectmen negated the 20 hours but the town's Budget Committee has yet to act.

The people of Goshen are asked to visit the library, make suggestions as to how the trustees can best serve the needs of the town and to volunteer and to participate in the many activities sponsored by your library, chief among which, is the offer for you to become an avid reader enjoying the many books the library owns.

Respectfully Submitted,

Lilyan Wright, Chair

This past year will be remembered as the year Goshen's Old Home Day celebration saw the premier of Stories from Silence, Witness to War – a film by Deborah Scranton van Paassen. The film contains interviews with Goshen veterans of WWII whose names are inscribed on the memorial that stands in front of the Olive G. Pettis Library. These veterans and others were honored throughout Old Home Day weekend.

It began at the January 2003 meeting of the historical society when Deborah volunteered to work on an oral history proposal suggested by the N.H. Library Association. She had the expertise, the talent and was willing to spend the time on the project. With the support of a project grant from the N.H. Humanities Council she began to interview and film. There were three viewings and nothing but rave reviews from the audience and the press.

Copies of the video are still available for sale. Deborah has earmarked a portion of the net proceeds to the restoration of the memorial.

For Old Home Day the historical society created the WWII memorabilia display and funded the Civil War and WWI re-enactors. The \$1000 the town budgeted and the countless hours of volunteer work done by Jack Scranton and his committee combined to make all the events of the weekend memorable.

As a direct result of research done for the film, veteran Billy Harold, Sr. finally received the medals from WWII to which he was entitled. On July 29th Congressman Charlie Bass presented him with the Bronze Star for heroism and four other campaign and good conduct awards. American flags (donated by Goshen citizens) flew throughout town!

The annual potluck was held on April 27th. Reggie Shepard gave a talk about the Province Road and a group assembled on the following Saturday to walk a segment of it.

Late in December the historical society along with the library trustees, selectmen and volunteer firemen began acknowledging the young men and women from town in the military who are being called to serve in Iraq and Afghanistan with a gathering at the library. The light in the library's window is a 'patriot's candle' in honor of all who are currently serving. Please let our President, Ethel Nilsen know if you know of anyone being deployed so this tradition of pride and support can continue.

Plans for 2004 include the potluck supper for the community on April 24th with a fund raising raffle and more from Reggie on the Province Road. A hike will be held on Sunday, April 25th.

Join us at the next quarterly meeting on April 21st. Old Home Day is scheduled for October 2, 2004.

Respectfully submitted,
Patricia Stephan, Secretary

Report of the Fire Dept.

The Goshen Fire Dept. answered 66 calls-for-services (CFS) in the year 2003. The breakdown of the CFSs is as follows:

Medical Emergencies	20	Fire Calls	08
Mutual Aid	18	Auto Accident	09
Public Hazards	02	Haz-mat	02
False Alarms	03	Public assist	04

We have been fortunate not to have any major property losses in town this year with the surrounding towns being hit heavily. Being asked to give mutual aid is always better then to ask for it. I would like to thank the residents for their support and being careful with fire and keeping fire prevention in mind at all times.

Medical Emergencies continues to keep the Rescue Squad busy. The warrant article that was approved at town meeting has helped greatly in purchasing new and needed equipment (see Rescue report). We are still in need of individuals interested in emergency medical training and joining the Squad.

The new fire truck continues to be a great addition to the protection of the town and investment to the future growth of Goshen. The annual lease/purchase payment needs to be approved again at town meeting this year. The Fire Dept. appreciates your continuing support for this.

The fire dept. received a \$22,500 (90/10 matching) grant from the FEMA Homeland Security Fund. This is to be used towards Personnel Protection Equipment and safety. I would like to thank Dan Peterson for his effort and time in the application process for applying for this grant and others that he continually applies for. If there's money out there, Dan tries for it.

Over the last couple years the Fire Dept. has implemented yearly maintenance services to the trucks, radios and to other items by professional service technicians in an effort to avoid unforeseen major repairs. This is now part of the yearly budget and is tracked regularly. It also allows the members who have volunteered to save lives and protect property more time for practice and training and not "back yard repair" of equipment. Liabilities are too great to let either slip.

A 3% increase in dispatching from the Claremont Police Dept. was negotiated. The membership dues for South Western New Hampshire Fire Mutual Aid Association when up to \$300 from \$150. This is to insure mutual aid coverage from other surrounding towns in the Association.

There are still many places in town that do not have the 9-1-1 numbers in place at the end of driveways and this makes finding emergencies difficult. Remember 9-1-1 is for emergencies and 542-9538 is for non-emergencies; Please give your name, location, and reason.

I would like to offer condolences to the family of Henry Beaudry. Henry was an eight-year active member and former officer with the Goshen Fire Dept. at the time of his passing. His presence is surely missed by all and his friendship is missed most by me.

I would like to thank the firefighter's families for the understanding and patience in our efforts.

If you have any questions or concerns about fires, the fire dept., becoming a member of the dept. or joining the rescue, Please contact any members of the fire dept. or me, and we will be more than happy to help.

Thank you,
Ricky Shepard
Goshen Fire Chief

GOSHEN FOREST FIRE REPORT FOR 2003

First of all I would like to thank the community for their continued support of the Goshen Forest Fire Department. With your support we have continued to upgrade equipment for the town, and training for the fire fighters. I would also like to thank the Deputy Wardens, The Goshen Fire Fighters and their families for their support and help.

Unfortunately we have lost Henry Beaudry, one of our most dedicated Deputy Wardens and Fire Fighters for the town of Goshen in 2003. Henry passed away unexpectedly at age 48. Henry has been, and will be missed for a very long time to come. In respect to Henry, The Deputy Wardens, The Goshen Fire Department, and Myself continue to wish his family well.

In 2003 we responded to several fire incident's in town. One had the potential to become a major problem for the town. Thanks to a neighbor calling 911 to report a fire we were able to save over 17 cords of cut and split fire wood, and we were able to stop any further progression of this fire into the woods. The fire fighters and equipment did an excelent job on this and other fires in the town.

In 2003 we issued over 160 burn permits. We also received numerous courtesy calls from you, the residents, to let us know that you where going to be burning brush with snow cover. We do appreciate this so we can let the dispatch centers know when and where their is a controled fire going on.

When requesting a fire permit we ask that you call ahead for that permit. This gives us a chance to write it out ahead of time, and the call makes it less intrucive on our families. So often we have people standing in our doorways unexpectedly. For Fire Permits in Goshen please contact Warden Dan Peterson at 863-4506, Deputy Warden Jack Warburton at 863-3143, or Deputy Warden Chris Moen.

We do like to remind you that you are responsible for any fire that you light. Per NH State Law's you could be held financially responsible for any cost to extinguish, or damage associated with a fire that gets away from you, or caused by you. So please be saftey minded.

As always we recomend you to try and keep a greenspace around your home to protect it from wild fires. Yes we do loose a few structures a year in NH do to Wild Fires. If you would like more information on protecting your property feel free to contact me.

On July 21, 2004 this will be the third year that Goshen will host the dinner, meeting, and training of the Grafton / Sullivan County Forest Fire Wardens Association. The trainings in the past that were held here have consisted of Portable Pumps and Hose Lays, Foam and Foam Operations. In 2004 we are hoping to have a large display of Forest Fire Fighting Vehicles from the area towns so we can cross train on them. Please feel free to stop down and see this equipment.

We also are looking for new members to join the Goshen Fire / Forestry / or Rescue Department's. Your help would be greatly appreciated.

Thank you all, and have a great year in 2004

Goshen Forest Fire Warden

Daniel Peterson
Daniel Peterson

Rescue Report

The year 2003 has been a busy year for the rescue squad. We had 34 calls requiring medical attention. These calls ranged from a "check the well being" to motor vehicle accidents including a motor vehicle related fatality, an off road medical call up at Gunnison Lake, as well as a call for a cold water rescue in the river with high water, but were cancelled by dispatch.

With our calls are getting more and more diverse, we could use your help. If you are interested in helping your fellow citizens and would like to get some medical training, please contact me or a member of the fire department. You don't have to be firefighter to help.

Thanks to your support we were able to get some much needed equipment. Some of the purchases were a SPO2 monitor (measures the amount of oxygen in your blood), a suction kit, a rescue stretcher and straps (can be used for off road emergencies), and first responder kits with needed supplies. We also received an automatic external defibrillator (AED) through a grant. This has been very useful and has been put to use a couple of times. With this equipment and trainings we are getting recognized as a professional squad. If you would like to check out this equipment, please feel free to contact me and I will show it to you.

Please have your house number out by the end of your driveway. I speak from experience when I say that time is wasted by looking for a house that the numbers are not displayed in a clear manner.

In closing I would like to say that the town lost some good people last year and one of them was lieutenant Henry Beaudry of the fire department. I was always glad to see him at a scene; he was always calm and always had an encouraging word. Many times he would say to me "Your doing good". I will miss that. I was unable to be around to say goodbye to Henry, but I will say this "So long friend, you did good"

Thank you,

Clark Wamsley
Goshen Rescue Squad

The Goshen Police Department has received a Federal Grant for 2004 that allows us to dedicate time for D.W.I patrols. The grant will run during the summer months of this year.

Officer Pickering is currently attending an E.M.T course at New London Hospital. This course started in January of 2004. The Residence of Goshen will now have a certified E.M.T in Town for 40 hours a week.

In 2003 the Goshen Police Department has handled more criminal cases that have required more time in the office and court. Juveniles continue to take up a lot of time with

investigations and court time. The grant we received will allow us more time on weekend nights to be patrolling the roads.

We have refurnished our office with donations and two book cases were built to work off community service from a resident in town.

It has been brought to our attention that some residents in town are not getting their animals licensed and rabies certificates. The dead line to license a dog is in April. We will be actively enforcing these violations in 2004. Our department receives numerous complaints on stray or unleashed dogs, some of these complaints are not getting answered. One problem is that if you call Goshen Dispatch when State Police is on call the dispatcher will notify State Police about your animal complaint. However State Police will not respond to animal complaints. If you have problems with an animal in Goshen please call Goshen Dispatch and asked to be transferred into our voice mail and the next Goshen Officer who is scheduled will return your call.

I would like to inform the Goshen Residents of some new law changes of interest for 2004.

RSA 265:107-A is amended in regard to child passenger restraints. While previously they were required for children less than four years of age, now child passenger seats are required for any passenger less than six years of age and less than 55 inches in height. Thus, any child up to age six must wear them unless the child is at least 55 inches in height. (Chapter 55)

RSA 215-A:19, I is amended to make the operator or owner, or both, of an OHRV driven by a person under the age of 18 liable for damage to property caused by the minor. Provides that such a minor will not be considered a delinquent or CHINS, but will be guilty of a violation in adult court. They may be fined or have their OHRV certificate suspended for up to six months, and may be required to perform community service or attend an approved OHRV safety course in mitigation of the damages. (Chapter 104)

Thanks to the Goshen Fire Department and Highway Department for their assistance through out the year. They have been doing a great job.

The Goshen Police Department would like to thank the Citizens of Goshen for their continued support.

Sincerely,

Chief Edward G. Andersen

Goshen Garden Club

The Goshen Garden Club was founded in April 2001. Volunteer members work to enhance and maintain the natural beauty of the Goshen landscape. Funds received from the town to date have been used for plants, shrubbery, fertilizer, mulch and window box plantings.

New shrubbery and bushes were planted in front and to the southern side of the library. Town volunteers helped to remove the large tree shrubs that once had dominated the front lawn of the library. That was quite a job considering the root system. Many thanks for the help.

This spring/summer we hope to work on the newly renovated land at the grange. Many thanks to all involved in the rebuilding of the retaining wall and leveling of land. It is an unbelievable transformation. We hope to enhance the area with a blue spruce tree and flowering shrubbery.

The second spring plant sale was successful in spite of another cold rainy Saturday. Our sale consisted of perennials from Goshen gardens and new plants for spring plantings. We hope to have a 3rd. spring plant show this year. Watch for posters at the town hall and post office.

We hope to replace planter boxes in front of the town hall, grange and library this year. The old ones have seen better days.

We have the Goshen community T-shirts available. The scenic logo on the front represents Goshen's tranquil environment and the back lists all of the dedicated volunteer groups in Goshen whom have worked many hours serving our community. The shirts sell for \$13.00 each. Call Diane 863-5626 or stop in at the town hall.

Volunteers are needed. We hope to send around at the town meeting a sign up sheet for spring and fall helpers. If you would be interested in helping us in any way to open up and or close the gardens it would be of great help. Extra hands are always appreciated.

We welcome anyone who wants to participate in the club. We have active members, associate members and others that volunteer their services in time of need. We also invite anyone to our scheduled meetings: the first wed. of each month at 6:30 at the town library. This is occasionally altered due to holidays or field trips.

Many heartfelt thanks to all volunteers.

We appreciate the feedback and compliments from the community.

Friends of the Goshen Grange Hall

The Friends of the Goshen Grange Hall raised approximately \$20,000 in an eighteen month period with an ongoing flea market housed in the grange hall, raffles, dinners and the "Gutsy Guys of Goshen" Calendar. With some money still in the bank, these funds helped to pay for a new paint job and new roof shingles, repointed and painted windows, repair of the granite foundation, construction of a new retaining wall and a start on landscaping. The exterior renovation of the Grange Hall is now complete! Many people donated a great amount of time and labor to this project - too numerous to list, you know who you are - thanks!!! The Friends will continue their fundraising activities toward work on the interior, but await decision by town voters on the ultimate use of the building.

**Town of Goshen, NH
Report of Highway Department
For the Year 2003**

For the year 2003 we had a turn over of assistants due mainly to complaints that the pay scale was too low.

We continued our ditching on the long Cross Road, Lempster Coach Road, and Province Road. We continued to add crushed gravel to all the town roads.

We stockpiled all our winter sand at a savings to the town. We went over our proposed budget for the year due primarily to repairs. This was due to numerous, unforeseen breakdowns of equipment such as new tires, chains for the sand spreaders, cutting edges for plows, and EXTRA chloride we applied to the roads for dust control during the dry summer months.

We applied for FEMA money from the Federal government due to a severe rain storm in August which washed out some of our roads. We received \$5,106.37 from FEMA which helped offset the overage in the budget.

We received our new John Deere backhoe in May and it has been a good choice and trouble-free thus far. We also got our new Flo-N-Dump body for the older Mack truck and with a few problems this fall, seems to be working well now.

We had a problem with the transmission in the grader in August during the severe rain storm. The price to rebuild the transmission would be \$12,000.00 and with other repairs the grader also needs would approximately cost \$18,000.00. I feel that it is time to update to a newer model.

I would like to thank the people that have continued to support me and have made the job easier and more efficient with the new equipment the town has purchased.

**Respectfully submitted;
William S. Stevens
Road Agent**

One of the most important roles of the Board and staff of Lake Sunapee Region Visiting Nurse Association this year was to advocate for the people for whom we provide care. This advocacy took many forms. We communicated regularly with your Representatives and Senators in Washington, D. C. to let them know that the reductions in Medicare payments were adversely affecting access to care for the seniors in our communities. We let them know that the most frail elderly in our communities should not have to pay a co-payment for Medicare home health services when they already pay hospital and physician co-payments. We let them know that seniors should not have to choose between food or prescription drugs or health care.

At the state level, we let the Governor and the legislature know that chronically ill and disabled residents in New Hampshire should not be forced to be on a waiting list to receive home care. If we are to keep people at home rather than in an institution, home health must be reimbursed adequately.

At Lake Sunapee Region VNA we examined our processes and staffing monthly to adapt to the current health care environment and still provide the quality of care and achieve the positive patient results you have come to expect of us. Six years ago average reimbursement for a Medicare patient was \$7900, today it is \$2400. Actions taken included reducing management staff and other operating expenses, and finding best practices to achieve increased clinical efficiency. Support from individuals, businesses, United Way and from the towns was critical to our programs this year. We are grateful for that support.

Our state of the art technology allowed us to dispatch our nursing resources when needed by our patients. Daily monitoring gave important assessment information to the professional staff enabling us to reduce *unnecessary* trips for emergent care and hospitalization by 60 per cent, keeping patients and their families together at home where they want to be.

We continued to expand our pediatric program with our School Nurse Health Initiative. The goal of this program is to work with school nurses to keep children with chronic illnesses in school and learning, to educate the child and family about the illness and to link the family with community resources that will help that child and family cope.

Hospice developed a palliative care program this year for patients who are not yet ready or appropriate for Hospice care but who can benefit from the strong team approach and from the support services as they deal with a life-threatening illness.

We developed a package of services, *Assisted Living at Home*, that includes medication management, personal care support morning and evening, hair care, home massage and other services designed for the patient who does not need skilled care, but who needs supportive care in order to remain independent at home.

Our commitment to community service projects and charity care on behalf of residents in your town included home visits, screening clinics, immunization clinics, health fairs, support groups, community newsletters and other activities designed to promote wellness and prevent disease. For details, our Community Benefits report is available in our office.

This year 102 residents of the town of Goshen utilized many of the services available through Lake Sunapee Region VNA. Our home care programs provided 310 visits and our hospice program, 67 visits to adults and children in Goshen. Our Long-Term Care program provided 487 hours of care and 9 residents were monitored through our telemedicine program.

Again, thank you for your support. The strength of our community lies in working together.

Respectfully,

Andrea Steel
President and CEO

Sullivan County Hospice, Inc.

P O Box 1247

Claremont NH 03743

November 1, 2003

Selectmen, Town of Goshen
PO Box 68
Goshen NH 03752

Dear Selectmen:

We at Sullivan County Hospice are requesting \$250 from the Town of Goshen.

Sullivan County Hospice has been in existence since 1984. We are a volunteer agency, governed by a 12 member Board of Directors, all of whom reside in Sullivan County.

Our mission is to provide practical and emotional support to terminally ill patients and their families within Sullivan County. The majority of the individuals we serve are home hospice patients, who have decided to remain at home under the care of their families. It is in this setting that we provide most of our services. However, we have the flexibility to follow and serve our patients and their families in a hospital or nursing home setting, as well. Our volunteers are fully trained in areas such as death and dying, the grieving process, active listening and universal precautions. A few of the ways our volunteers provide practical support include respite for caregivers, running errands and light meal preparation. Our volunteers also provide emotional support to both the patient and their family, by being available to listen and offer reassurance and encouragement.

Our referrals come from doctors, nurses, visiting nurse associations, discharge planners, as well as from family members or patients themselves. Our only requirements for service are that the patient be terminally ill and that they reside in Sullivan County. We accept all referrals on that basis and there is never a charge for our service.

In addition to providing volunteer services, Sullivan County Hospice offers a bereavement support group. This group is scheduled for six sessions a year, each lasting a period of five weeks. These groups are open to anyone working through the grieving process.

We thank you in advance for your consideration. We hope that you will continue to support our work with your financial contribution, as we continue in our efforts to support the terminally ill and their families in Sullivan County.

Sincerely yours,

Annie Alcorn

Director, Sullivan County Hospice

The UVLSRPC is a not-for-profit association of 30 communities in Vermont and New Hampshire. We provide a mechanism for communities that live, work and recreate together in the Upper Valley, Sullivan County and Lake Sunapee area to work together on issues of common concern. Each year we strive to focus on activities that will best meet the needs of each of these three areas, while we balance the differing concerns of larger and smaller communities. Your community's membership in UVLSRPC provides you with a voice in regional activities, as well as decision-making at the state level in both states that affect the future of your community.

We provide the communities of the region a mechanism to work together toward balanced growth, in part by developing and implementing a comprehensive regional plan. In 2003, we completed work on both a new Regional Transportation Plan and new Economic Development element for the Regional Plan, as well as updates on Population Trends and Natural & Scenic Resources. In other activities, we:

- Worked with area and state organizations, businesses and communities to seek opportunities to improve the balance between economic growth and residential development in the Upper Valley.
- Helped several communities obtain grant funds for a variety of projects, including emergency management equipment, village highway corridor redesign, recreation facilities and transportation system enhancements.
- Completed incorporation of Grafton County communities in North Country Economic Development District for federal Economic Development Administration (EDA) grant eligibility; obtained EDA approval of East-Central Vermont Comprehensive Economic Development Strategy (CEDS) developed in partnership with Green Mountain Economic Development Corporation and others to ensure business growth meets the needs of our communities; and began work with Western Region Development Corporation on CEDS for Sullivan County. Continued to support tourism organizations in the Region.
- Assisted 11 communities with updates of their master plans and 10 with local land use regulations.
- Provided technical assistance to local committees addressing a number of issues such as affordable housing, interstate interchange area development, open space, capital improvements programming, downtown revitalization, sewers, and bicycle and pedestrian facilities.
- Developed guidelines for balancing state highway needs with those of a downtown or village area utilizing a concept plan for Charlestown as a case study.
- Facilitated Upper Valley Conservation Network and provided technical assistance to Upper Valley Trackers.
- Continued our assistance to watershed organizations planning for the stewardship of the Connecticut River and its tributaries, including Lake Sunapee, and the Cold, Mascoma and Ottauquechee Rivers. Actively participated on Connecticut River Joint Commissions and Connecticut River Scenic Byway Council Steering Committee.
- Organized five hazardous waste collections that gave 1,170 households a way to keep approximately 13,100 gallons of hazardous chemicals out of the region's groundwater; and assisted with public education on household hazardous waste.

- Conducted 911 readdressing in Claremont to improve emergency response. Completed hazard mitigation plans for 4 communities as required for continued eligibility for federal disaster assistance and hazard mitigation funds; arranged funding to complete several more in the coming year, including all 3 Vermont towns; and continued to facilitate well-integrated emergency planning within the core Upper Valley communities.
- Provided suggestions for minimizing potential regional impacts associated with several proposed developments through Act 250 in Vermont and RSA 36:56 in New Hampshire.
- Collected traffic data in 24 communities, and completed road inventory in 5 communities to make sure that full state aid for maintenance is received. Developed plans for Upper Valley traffic model to increase ability to predict and avoid traffic increases. Provided traffic data to communities, residents and businesses on request.
- Continued to work with public transit providers serving the area's residents, employees, and visitors to identify opportunities to improve service using currently available funds, and to prioritize needs for additional funding. Assisted Upper Valley Transportation Management Association in efforts to involve area employers in programs to reduce commuter traffic.
- Provided monthly circuit rider services to 5 communities to review subdivision and site plan applications for compliance with local regulations.
- Held several informational and training sessions for local officials on land use planning issues, (including siting wind power facilities, how to avoid sprawl, and programs available to keep historic villages healthy), natural resource protection issues, (including stormwater management and Vermont's new septic rules), and board member skills, (including fostering productive citizen participation in the planning and development review processes). Facilitated discussions on future plans of Dartmouth Hitchcock Medical Center, Dartmouth College, and the Mt. Sunapee Ski area, and potential impacts on growth-related factors such as housing and traffic in the region.
- Responded to day-to-day requests from local board members and staff for guidance on, e.g., application of NH Shoreland Protection Act, policies on unmaintained roads, management of excavations, implementation of floodplain ordinances, capital improvement programming and impact fees, road acceptance policies, coordination of review of applications among various local boards, regulation of telecommunications facilities, interpretation of local land use regulations, hiring consultants, and planning and zoning board procedures.
- Continued to increase the ability of our geographic information system (GIS) to perform land use analysis and natural resource planning; provided GIS services to communities and partner organizations.
- Maintained a library with the latest technical guidance, planning literature, and sample regulations; continued to incorporate 2000 Census information into digital regional socioeconomic database as it became available; and responded to numerous requests for information from local officials, businesses, and other area organizations.

We appreciate the high level of participation and support we receive from our communities, and look forward to continuing to serve the needs of the region in the coming year. We count on feedback from the Commissioners each community appoints, as well as local officials and residents, to ensure that our work program focuses on regional issues that are of the highest priority to you. In addition, this year we have established a new committee to enhance the exchange of information with member communities. Please feel free to contact us at (603) 448-1680 or info@uvlsrc.org to share your thoughts.

Tara E. Bamford, Executive Director

Jerry E. Durant
Executive Director

November 10, 2003

Town of Goshen
Goshen, NH

Dear Select Board Members,

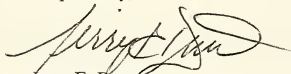

Each November we write to the communities we serve and ask for your support. Through the generosity of your town we are able to continue to provide Meals-on-Wheels to members of your community. While many are able to make a nominal donation there are those that cannot. The cost of healthcare, prescription drugs, and costs of simple existence places a strain on their fragile budgets.

We are asking your town to make a financial commitment of \$500. This is a slight increase as a result of increased demand in the Town Goshen (13.9%). I am hopeful that our commitment and support to your citizens will justify our request.

Attached is an historical overview of the Meals-on-Wheels program for your information.

Should you have any questions please do not hesitate to let us know.

Respectfully,

Jerry E. Durant
Executive Director

GOSHEN PLANNING BOARD 2003 REPORT

The Goshen Planning Board meets on the first and last Tuesday of every month at 7:00 P.M. in the Town Hall. Hearings are frequently held on meeting nights, but may be held at other times to accommodate schedules of participants. All hearings are advertised, as are any other meetings that are held at times other than regular meeting times. All meetings are open to the public.

Because of the number of requests that are received for Board time, individuals with business to bring before the Board are asked, whenever possible, to contact the chairman for scheduling.

The Planning Board conducted 38 public meetings during 2003 (including regular meetings, public hearings, and public work sessions). In addition, the Board conducted four site visits, two for excavation sites and two for proposed subdivisions sites.

This year the Board approved one subdivision and held several preliminary discussions with other individuals currently contemplating or actively seeking subdivisions.

The Board met three times to hear and consider requests from Guildhall Sand & Gravel to amend its current permit for excavation at its "Davis" site off Lear Hill Road. It also held a hearing on a request from Newport Sand & Gravel for a new excavation permit at the "Anderson Site" off Lear Hill Road. The Board conducted site inspections at the Gary Caron and Guildhall Sand & Gravel excavation sites.

The Board is currently engaged in an extensive public process in which the adoption of new excavation regulations is being considered. The purpose of the proposed regulations is to improve and standardize the application procedures as well as operational procedures for future commercial excavations in Goshen. To encourage maximum public input, the Board held a series of public hearings and public work sessions on the draft regulations in 2003, incorporating public comment at each stage of the process. Besides receiving input from the public, the Board also received valuable assistance from Town Counsels Bernard Waugh, Jr. and Adele Fulton, the Upper Valley Lake Sunapee Regional Planning Commission, and New Hampshire Soil Consultants, Inc. The Board employed New Hampshire Soil Consultants, Inc. for the limited purpose of reviewing and making suggestions on specific environmental aspects of a late draft of the proposed regulations. The Board expects to conclude the process of adopting excavation regulations during 2004.

After holding a public hearing, the Board voted on June 3 to adopt new driveway regulations. The new regulations control access to Town highways and are designed to comply with state law (RSA 236:13), to ensure that future driveway entrances in Goshen provide maximum safety and protection to the traveling public, and to protect and maintain the serviceability of Town highways.

After reviewing and comparing the fees that various other New Hampshire communities charge for conducting hearings on proposed subdivisions, the Board held a public hearing for the purpose of reviewing Goshen's fees. The Board unanimously voted to increase Goshen's fees to adequately cover the actual costs of the subdivision process.

In fulfilling an important part of its responsibilities, the Planning Board prepared changes to present to voters on matters that would alter, update, and modernize the Zoning Ordinance. Early in 2003, the Board conducted hearings on 15 proposals to amend the Zoning Ordinance and Building Ordinance. These proposals appeared on the paper ballot for voter consideration in March 2003, and 14 of the 15 amendments were adopted by the town.

Later in the year, the Board drafted proposals to amend the town's Zoning Ordinance and Building Ordinance in 2004. These proposals were designed to refine and clarify elements of the existing Zoning Ordinance and Building Ordinance and to add provisions on various topics that are commonly addressed in modern zoning ordinances. Public hearings on these proposals were held January of 2004 and these proposals, with citizen input incorporated, are being presented to voters for their consideration at balloting on March 9, 2004.

In response to approval of Article 35 at the Town Meeting of March 15, 2003, the Planning Board designated its Selectmen's Representative, James Carrick, to begin contacting Town officials in order to gather necessary information about projections of future expenses necessary to create a Capital Improvement Program for the Town of Goshen. Mr. Carrick has initiated this process and the Board will continue to work toward adopting a Capital Improvement Program during 2004.

The Board would like to express appreciation to a number of people who have been helpful during the past year. Our former secretary, Maureen Ostertag, and our present secretary, Marilyn Priest, provided the hard work and attention to detail necessary for our successful functioning. Attorneys Bernard Waugh, Jr. and Adele Fulton provided timely and essential legal advice. Ken McWilliams, Senior Planner of the Upper Valley Lake Sunapee Regional Planning Commission, supplied us with useful information whenever needed, as well as the benefit of his knowledge gained during years of experience in municipal matters. The Board also wishes to thank those Goshen citizens and interested individuals who have attended public hearings and through their comments provided guidance and assistance to the Board.

Respectfully submitted,
Goshen Planning Board
John C. Wirkkala, Chairman

2003 DETAILED STATEMENT OF PAYMENTS

EXECUTIVE:

Salaries:	Herbert Bennett, Selectmen	2,450.04
	Sherri Moen, Selectmen	2,450.04

- 2. To see if the Town will vote to amend the Zoning Ordinance by adding provisions to regulate the installation and maintenance of personal wireless service facilities (such as cell towers), as proposed by the Planning Board in Amendment No. 1. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The**

following question will appear on the official ballot, and is not subject to further amendment:

“Are you in favor of the adoption of Amendment No. 1, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This Ordinance permits the location of personal wireless service facilities (PWSFs) within the Town of Goshen, while protecting public health, safety, and the general welfare of the community in accordance with the Goshen Master Plan. This Ordinance enables the review of PWSFs by the Town of Goshen.”

YES 172

NO 96

AMENDMENT PASSED

- 3. To see if the Town will vote to amend the Zoning Ordinance by adding provisions to regulate outdoor lighting, as proposed by the Planning Board in Amendment No. 2. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

“Are you in favor of the adoption of Amendment No. 2, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This addition to the Town Ordinances seeks to maintain the character of the town by preventing further reduction of visibility of the night sky, insuring efficient use of lighting, and reducing unsafe or annoying lighting conditions. This ordinance regulates lighting such as bright area lighting, sign illumination, and building illumination, but does not regulate lighting such as low-wattage conventional light bulbs, seasonal/holiday lighting or emergency lighting.”

YES 144

NO 121

AMENDMENT PASSED

- 4. To see if the Town will vote to amend the Zoning Ordinance by prohibiting water mining, as proposed by the Planning Board in Amendment No. 3. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

“Are you in favor of the adoption of Amendment No. 3, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This addition to the Zoning Ordinance prohibits water mining in all districts, where water mining is described as withdrawal of groundwater at a rate greater than the rate at which it is naturally replenished through precipitation.”

YES 168

NO 101

AMENDMENT PASSED

5. To see if the Town will vote to amend the Zoning Ordinance by adding provisions to regulate the construction of buildings on scenic ridgelines and hillsides, as proposed by the Planning Board in Amendment No. 4. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 4, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This addition to the Zoning Ordinance seeks to maintain the scenic character of the Town by reducing the visual impact of new structures and roadways located in ridgeline or hillside areas which are visible from public waters or public highways located ½ mile or more away. Provisions include maintaining a backdrop of trees, siting buildings and roadways appropriately, and minimizing the use of reflective siding or roofing materials."

YES 139

NO 126

AMENDMENT PASSED

6. To see if the Town will vote to amend the Zoning Ordinance by adding provisions to control development or improvement in wetland areas, as proposed by the Planning Board in Amendment No. 5. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 5, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This amendment prohibits development or improvement in wetland areas without a special exception. Criteria which must be met in granting a special exception are specified, including that the proposed development cannot reasonably be located outside the wetland and that the applicant's objectives are achieved with the least impact on the wetland."

YES 153

NO 111

AMENDMENT PASSED

7. To see if the Town will vote to amend the Building Ordinance to include references to the state building code and other state laws, to designate the Zoning Board of Adjustment as an appeal board for Building Ordinance decisions, and to permit reduced size of living space by special exception, as proposed by the Planning Board in Amendment No. 6. Official copies of the complete text are available at the Town Office and will be on display at

the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

“Are you in favor of the adoption of Amendment No. 6, as proposed by the Planning Board for the Goshen Building Ordinance, as follows: This amendment gives the Building Inspector the authority to evaluate an application based on its conformity with the State Fire and State Building Code, to evaluate electrical work based on the most current version of the National Electrical Code, and to evaluate plumbing based on the most current International Plumbing Code. It also specifies that an applicant may appeal decisions to the Zoning Board of Adjustment, which shall sit as the Building Ordinance Board of Appeals. It also specifies that a special exception is required for a living space of less than 800 square feet in a dwelling unit, and that the living space in mobile homes shall conform to the provisions of RSA 674:31.”

YES 157 NO 107

AMENDMENT PASSED

- 8. To see if the Town will vote to amend the Zoning Ordinance so as to create a village district overlay zone in downtown Goshen, in which earth removal is excluded, as proposed by the Planning Board in Amendment No. 7. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

“Are you in favor of the adoption of Amendment No. 7, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This amendment adds a Village Overlay District including all land within a radius of one mile from the intersection of Mill Village Road (NH Route 10) and Brook Road. Earth Removal is strictly prohibited in this district.”

YES 149 NO 121

AMENDMENT FAILED DUE TO PROTEST PETITION FILED REQUIRING A TWO-THIRD-MAJORITY VOTE.

- 9. To see if the Town will vote to amend the Zoning Ordinance by updating the provisions for “Open Space Development” (formerly known as “Cluster Development”) so as to prevent the fragmentation of open space and to accommodate a condominium form of ownership (as required by RSA 356-B:5), as proposed by the Planning Board in Amendment No. 8. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

To see if the Town will vote to amend the Zoning Ordinance by updating the provisions for "Open Space Development" (formerly known as "Cluster Development") so as to prevent the fragmentation of open space and to accommodate a condominium form of ownership (as required by RSA 356-B:5), as proposed by the Planning Board in Amendment No. 8. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

"Are you in favor of the adoption of Amendment No. 8, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This amendment updates the former "Cluster Development" provisions with new "Open Space Development" provisions. New interior setbacks are specified so as to conserve quality open space, rather than fragmenting open space into buffer areas. This amendment also specifies a minimum overall size of 12 acres for an open space development (rather than the previous minimum of four lots), so as to accommodate a condominium form of ownership, as required by RSA 356-B:5."

YES 154 NO 107

AMENDMENT PASSED

- 10. To see if the Town will vote to amend the Zoning Ordinance by expanding the definition of "Home Business" into three classifications in order that the Town may more appropriately regulate the businesses that citizens run out of their homes, as proposed by the Planning Board in Amendment No. 9. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

"Are you in favor of the adoption of Amendment No. 9, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: The purpose of this amendment is to enable the town to regulate home businesses based on their level of impact on the home premises and the area in which they are situated. The amendment expands the definition of "Home Business" into three classifications, namely: a "Home Occupation" for which no permit or registration fee is required, a "Simple Home Business," which may employ up to two non-resident persons and which requires a permit from the Building Inspector, and a "Home-Based Commercial Use," which is allowed only in the Light Commercial District unless a special exception is obtained. Specific criteria are listed for each class. Agricultural uses shall not be classified as a home business."

YES 135 NO 129

AMENDMENT PASSED

- 11. To see if the Town will vote to amend the Zoning Ordinance by adding provisions to regulate outdoor advertising, including off-premises advertising, as proposed by the Planning Board in Amendment No. 10. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

"Are you in favor of the adoption of Amendment No. 10, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This

amendment provides that permanent advertising shall be permitted only on the premises of the commercial property advertised, unless a special exception is obtained. It also provides that a special exception is required for on-premises signs greater than six square feet."

YES 153

NO 110

AMENDMENT PASSED

12. To see if the Town will vote to align the Zoning Ordinance with the Goshen Subdivision Regulations by specifying a frontage requirement for building lots and to amend the Zoning Ordinance requirements for frontage and building setback for commercial raising and slaughtering of animals, as proposed by the Planning Board in Amendment No. 11. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 11, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This amendment brings the Zoning Ordinance into alignment with the Goshen Subdivision regulations by specifying that the lot on which a residential or commercial building is sited shall have not less than one hundred seventy-five feet (175') of frontage. For lots used for commercial raising and slaughtering of animals and poultry, the frontage requirement is removed and the setback requirement for buildings from any right-of-way is changed from one hundred feet (100') to two hundred feet (200')."

YES 143

NO 127

AMENDMENT PASSED

13. To see if the Town will vote to amend the ordinance on the use of portable rock crushers, as proposed by the Planning Board in Amendment No. 12. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:

"Are you in favor of the adoption of Amendment No. 12, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This amendment to the Zoning Ordinance requires that a permit for a portable rock crusher be obtained from the Planning Board rather than from the Board of Selectmen and it limits the permissible usage time to one two-week period per year at any single excavation site."

YES 153

NO 99

AMENDMENT PASSED

- 14. To see if the Town will vote to amend the definition of "Tourist Related Services in the zoning ordinance" so that it no longer lists Gift Shops, as proposed by the Planning Board in Amendment No. 13. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

"Are you in favor of the adoption of Amendment No. 13, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This change would delete the term 'Gift shops' from the activities listed as examples in the definition of 'Tourist Related Services.'"

YES 132 NO 125

AMENDMENT PASSED

- 15. To see if the Town will vote to amend the Zoning Ordinance by adding definitions for terms that are used in the zoning ordinance and building ordinance as proposed by the Planning Board in Amendment No. 14. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

"Are you in favor of the adoption of Amendment No. 14, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: This amendment provides definitions for terms that are used in the zoning ordinance and building ordinance, including definitions for the terms Development, Dwelling Unit, Earth Removal, and Overlay District."

YES 158 NO 102

AMENDMENT PASSED

- 16. To see if the Town will vote to amend the Zoning Ordinance by making editorial and other minor revisions which do not significantly change the substance of the ordinance, as proposed by the Planning Board in Amendment No. 15. Official copies of the complete text are available at the Town Office and will be on display at the meeting. The following question will appear on the official ballot, and is not subject to further amendment:**

"Are you in favor of the adoption of Amendment No. 15, as proposed by the Planning Board for the Goshen Zoning Ordinance, as follows: The purpose of this amendment is to make editorial corrections, cross-referencings, and minor clarification revisions, none of which significantly alter the substance of the ordinance."

YES 159 NO 98

AMENDMENT PASSED

You are further notified to meet at the Goshen Town Hall in said Goshen on Saturday, the 15th day of March, 2003, at 6:30 of the clock in the evening, to act upon the following subjects:

Moderator Arthur G. Jillette, Jr., called the meeting to order at 6:30 P.M. . Fred Smith led the Pledge of Allegiance. The Moderator explained that Roberts Rules of Order would lead the meeting. The zoning amendments had been voted on Tuesday and there would be no discussion on these amendments at this time. Also informed the citizens that Amendment Number 7 had received more yes votes and that RSA 675:5 required him to inform them that a protest petition had been presented on this Amendment which meant that it had to pass by a two-third majority vote and that it had not.

Herbert Bennett spoke to the floor with corrections to the budget pages. Personnel Administration should read **\$16,277.00**, not \$16,377.00. **Post Closure Testing** needs to be added under the line "To Capital Reserves" with the amount of \$9,900 under the Selectmen's fiscal year recommended and change the total from \$600,192.00 to **\$609,992.00** and under Budget Committee fiscal Year Recommended and change the total from \$607,192.00 to **\$616,992.00**. Also on the very bottom of the page cross out "**Police Cruiser \$5,000.00**" and add **Property Revaluation for \$15,000.00**. Seconded by Dave Stephan. **CHANGES TO BUDGET PAGES PASSED.**

Moderator, Arthur G. Jillette, Jr. asks the budget committee co-chairs to move the questions.

17. To receive the reports of the Town Officers of Goshen and take any necessary action thereon.

Article moved by Linda Janicke and seconded by Dave Stephan.

ARTICLE PASSES.

18. To see if the Town will vote to increase the Deputy Town Clerk's pay from \$9.25 per hour to \$9.75 per hour, at the discretion of the Selectmen. Funds needed for this increase are included in Article 21, Election, Reg. & Vital Statistics #4140. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

Article moved by Linda Janicke, seconded by Dave Stephan. Korrie Goodspeed asks how the amount was arrived at, if they used a formula or percentage to arrive at this amount. Herbert Bennett explains that they were just trying to get the Deputy up to the level that most other towns were paying.

ARTICLE PASSES. Voted to increase the Deputy Town Clerk's pay from \$9.25 per hour to \$9.75 per hour, at the discretion of the Selectmen. Funds needed for this increase are included in Article 21, Election, Reg. & Vital Statistics #4140.

19. To see if the Town will vote to increase the Deputy Tax Collector's pay from \$9.25 per hour to \$9.75 per hour, at the discretion of the Selectmen. Funds needed for this increase are included in Article 21, Financial Administration #4150. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

Article moved by Lilyan Wright and seconded by Dave Stephan.

ARTICLE PASSES. Voted to increase the Deputy Tax Collector's pay from \$9.25 per hour to \$9.75 per hour, at the discretion of the Selectmen. Funds needed for this increase are included in Article 21, Financial Administration #4150.

20. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purpose of fabricating and installing a canopy/ enclosure at the upper level handicap entrance to the town hall. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

Article moved by Linda Janicke and seconded by Arne Nilsen. Herbert Bennett speaks to the article and explains that water has been coming in effecting the floor of the hall and a canopy would help with this problem as well as snow and ice. Scott Goodspeed makes a motion to amend the article to lower the amount to \$1,000.00. Seconded by Peter Hamel.

AMENDMENT FAILS. Back to original article. Dave Stephan makes a motion to amend the article to require multiple bids. After much discussion about how it would be required by the selectboard anyway, Dave Stephan makes a motion to word the article "up to \$2,500.00 after seeking multiple bids." Linda Janicke seconds the motion to amend article. Edwin Baker feels that this would require contracts, specifications, etc. before bids could be accepted. Arne Nilsen states that it goes without saying that anything will be put out to bids. Scott Goodspeed feels that this article should be tabled or thrown out until it can be researched more. Dave Stephan states that his amendment only allows spending of "up to" \$2,500.00. The actual cost is all that will be spent. After a voice count, a hand count was necessary. **Amendment Passes.**

Scott Goodspeed makes a motion to table this article. **NO SECOND TO THE MOTION.** After much more discussion Bea Jillette calls the question. **AMENDED ARTICLE PASSES TO RAISE AND APPROPRIATE UP TO THE SUM OF \$2,500.00 AFTER SEEKING MULTIPLE BIDS FOR THE PURPOSE OF FABRICATING AND INSTALLING A CANOPY/ENCLOSURE AT THE UPPER LEVEL HANDICAP ENTRANCE TO THE TOWN HALL.**

21. To see if the Town will vote to raise and appropriate the following sums of money for the general municipal operations: (Majority Vote Required)

	Selectmen's Budget	Budget Committee Recommends
<u>Account No.</u>		
4130 Executive	32,075.00	32,075.00
4140 Election, Reg. & Vital Statistics	20,687.00	20,687.00
4150 Financial Administration	25,433.00	25,433.00
4152 Revaluation of Property	4,500.00	4,500.00
4153 Legal Expense	23,000.00	30,000.00
4155 Personnel Administration	16,277.00	16,277.00

Article moved by Paul Barrett and seconded by Allan Dimond.

The Moderator recognizes Steven Hill who donated a handcrafted pocketknife to the town to help raise money for the town. All were appreciative of this donation and there was a round of applause. Fred Smith asks if the Planning and Zoning has its own savings account. John Wirkkala explains that there was an account set up with \$1.00 to hire a consultant and that Newport Sand & Gravel would have to pay one and the account was set up only for this purpose. Fred Smith makes a motion to increase # 4191 Planning & Zoning for the Planning Board by \$5,000.00 to hire a professional planner to help them with Mount Sunapee plans in the future and could save a lot of legal expenses in the future. Seconded by Angela Dimond. Linda Janicke asks why that figure. John Wirkkala talks to the question and explains his surprise to this amendment proposal and the board would welcome this kind of help. Fred Smith has a list of planners available as a realtor. Linda Janicke asks if this type of person is available through the Upper Valley Lake Sunapee Planning Commission. Herbert Bennett says yes, this is one reason we pay dues to this organization. Allan Dimond moves the question.

Amendment passes by hand count to raise Account No 4191 Planning and Zoning from \$5,733.00 to \$10,733.00.

Paul Barrett calls the question.

Voted to raise and appropriate the sum of \$200,930.00 for the general municipal operations.

22. To see if the Town will vote to raise and appropriate \$30,000.00 for the purchase of a new Police Cruiser and to withdraw \$20,400.00 from the Police Cruiser Capital Reserve. The balance to be raised by taxation. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

On a motion by Paul Barrett and seconded by Allan Dimond current cruiser. several problems. Arne Nilsen calls the question. Allan Dimond seconds.

ARTICLE PASSES.

Voted to raise and appropriate \$30,000.00 for the purchase of a new Police Cruiser and to withdraw \$20,400.00 from the Police Cruiser Capital reserve. The balance to be raised by taxation.

23. To see if the Town will vote to raise and appropriate the sum of \$21,896.00 for the second of ten (10) yearly payments for the E-One Typhoon Series Fire Truck. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

On a motion by Paul Barrett and seconded by Dan Peterson. Ricky Shepard thanks the voters for their support last year and that the new truck has worked out well for the department.

ARTICLE PASSES.

Voted to raise and appropriate the sum of \$21,896.00 for the second of ten yearly payments for the E-One Typhoon Series Fire Truck.

24. To see if the Town will vote to raise and appropriate \$3,500.00 for the purpose of purchasing rescue equipment. (Majority Vote Required) Recommended by the Budget Committee.

On a motion by Paul Barrett and seconded by Al Dimond.

ARTICLE PASSES.

Voted to raise and appropriate the sum of \$109,037.00 for Highways and Streets.

27. To see if the Town will vote to authorize the Selectmen to enter into a five (5) year lease/purchase agreement to lease/purchase one John Deere Backhoe for the Highway Department and to raise and appropriate the sum of \$12,000.00 for the first year payment to be raised from taxation. "The agreement contains a non-appropriation escape clause." (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

On a motion by Paul Barrett and seconded by Allan Dimond.

ARTICLE PASSES.

Voted to raise and appropriate the sum of \$12,000.00 to enter into a five-year lease/purchase agreement to lease/purchase one John Deere backhoe for the Highway Department.

The \$12,000.00 being the first year's payment.

28. To see if the Town will vote to authorize the Selectmen to enter into a four (4) year lease/purchase agreement to lease/purchase one Flo-n-Dump body for the Highway Department and to raise and appropriate the sum of \$5,000.00 for the first year payment to be raised from taxation. "This agreement contains a non-appropriation escape clause." (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

On a motion by Paul Barrett and seconded by Al Dimond.

Gary Janicke calls the question.

ARTICLE PASSES.

Voted to raise and appropriate the sum of \$5,000.00 to enter into a four-year lease/purchase agreement to lease/purchase one Flo-n-Dump body for the Highway Department. The \$5,000.00 being the first year's payment.

29. To see if the Town will vote to appropriate, and authorize the Selectmen to withdraw \$9,900.00 from the Transfer Station passbook (Special Revenue Fund) for the purpose of the annual maintenance of the compactor and the 2002-2003 Post Closure Testing of the Landfill. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

On a motion by Paul Barrett and seconded by Al Dimond. Herbert explains that this is a required test by the state to monitor several things that may be given off by the closure cap. Also the compactor needs to have maintenance done.

Dave Stephan calls the question. **ARTICLE PASSES.**

Voted to appropriate and authorize the Selectmen to withdraw \$9,900.00 from the Transfer Station passbook.

30. To see if the Town will vote to raise and appropriate the following sum for Sanitation: (Majority vote required)

<u>Account No.</u>	<u>Selectmen's Budget</u>	<u>Budget Committee Recommends</u>
4321 Solid Waste Administration	12,132.00	12,132.00
4324 Solid Waste Disposai	65,830.00	65,830.00
4326 Sewage Disposal	1,700.00	1,700.00
Total	79,662.00	79,662.00

On a motion by Paul Barrett and seconded by Al Dimond

ARTICLE PASSES.

Voted to raise and appropriate the sum of \$79,662.00 for Sanitation.

31. To see if the Town will vote to raise and appropriate the following sums for Health and Welfare: (Majority Vote Required)

<u>Account No.</u>	<u>Selectmen's Budget</u>	<u>Budget Committee Recommends</u>
4411 Health Administration	825.00	825.00
4414 Pest Control	250.00	250.00
4415 Senior Center	300.00	300.00
4415 Sullivan County Hospice	250.00	250.00
4415 Lake Sunapee Home Health	1,945.00	1,945.00
4415 Meals on Wheels	150.00	150.00
4415 SWCS	-0-	-0-
4442 Direct Assistance	9,055.00	9,055.00
Total	12,775.00	12,775.00

On a motion by Paul Barrett and seconded by Al Dimond. Lilyan Wright makes a motion to amend the article to add \$825.00 for West Central Behavioral Services. After some questions about what this organization does and if most patients have medical insurance that covers the costs Ed Baker makes a motion to move the amendment.

Voted to add \$825.00 to Account #4415, making the total of Article 31 \$13,600.00.

ARTICLE PASSES.

Voted to raise and appropriate the sum of \$13,600.00 for Health and Welfare.

32. To see if the Town will vote to raise and appropriate the following sums for Cultural, Recreation and Conservation: (Majority Vote Required)

Selectmen's Budget Committee

<u>Account No.</u>	<u>Budget</u>	<u>Recommends</u>
4550 Library	9,263.00	9,263.00
4583 Patriotic Purposes	200.00	200.00
4619 Conservation	1,000.00	1,000.00
Total	10,463.00	10,463.00

On a motion by Paul Barrett and seconded by Al Dimond. Jim Carrick makes a motion to amend Account No. 4583 to \$300.00 due to a World War II veteran left off the memorial at the town's library. Dave Stephan seconds the motion to amend. Tom Gagnon makes a motion to move the amendment. **AMENDMENT PASSES, RAISING #4583 TO \$300.00, MAKING THE TOTAL OF ARTICLE 32 \$10,563.00. ARTICLE PASSES.**
Voted to raise and appropriate the sum of \$10,563.00 for Cultural, Recreation and Conservation.

33. To see if the Town will vote to raise and appropriate the following sums to be placed in established Capital Reserve Funds: (Majority Vote Required)
Recommended by the Selectmen & Budget Committee.

	<u>Selectmen's Budget</u>	<u>Budget Committee Recommends</u>
Highway Heavy Equipment (1994)	2,500.00	2,500.00
Personal Firefighters Equipment (1994)	1,500.00	1,500.00
Construction & Recon. Of Bridges (1992)	5,000.00	5,000.00
New Highway Truck CR (1990)	5,000.00	5,000.00
Property Revaluation (2002)	15,000.00	15,000.00
Total	29,000.00	29,000.00

On a motion by Paul Barrett and seconded by Angela Dimond.
ARTICLE PASSES.

Voted to raise and appropriate the sum \$29,000.00 to be placed in established Capital Reserve Funds.

34. To see if the Town will vote to authorize the selectmen to appoint a committee of five citizens to research, study and recommend alternatives for solid waste disposal. The committee to consist of the two representatives and alternate representative to the NH/VT Solid Waste Project and two other citizens of the town. (Majority Vote Required)

On a motion by Lilyan Wright and seconded by Jean Barrett.
ARTICLE PASSES.

35. To see if the Town will vote to authorize the Planning Board to develop and amend, as necessary, a capital improvement program for the Town of Goshen. (Majority Vote Required)

On a motion by Al Dimond and seconded by Paul Barrett
ARTICLE PASSES.

36. (Petitioned) To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of funding Goshen Old Home Day activities. (Majority Vote Required) Recommended by the Selectmen & Budget Committee.

On a motion by Cindy Phillips and seconded by Paul Barrett.
ARTICLE PASSES.

Voted to raise and appropriate the sum of \$1,000.00 for the purpose of funding Goshen Old Home Day activities.

37. (Petitioned) To see if the Town will vote that the Fire Chief of the Goshen Volunteer Fire Department, shall be elected by the registered voters of the Town of Goshen, N.H. pursuant to RSA154:1,III and shall be elected for a definite term of office of one (1) year pursuant to RSA 154:5, at a non-negotiable annual salary of one (1) dollar a year, pursuant to RSA 154:15. (Majority Vote Required) Not recommended by the Selectmen or Budget Committee.

On a motion by Edwin Baker to table this article indefinitely. Seconded by Daniel Peterson.

ARTICLE TABLED.

38. (Petitioned) That we the citizens of Goshen, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

- **Everyone, including the self-employed, unemployed, un – and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;**
- **Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;**
- **Everyone receives high quality care that is cost efficient and medically effective; and**
- **That these efforts help control the skyrocketing cost of health care.**
-

On a motion by Lilyan Wright and seconded by Dan Peterson.
ARTICLE PASSES.

39. To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, in its first two years of operation, the Land and Community Heritage Investment Program (LCHIP) has helped communities throughout New Hampshire preserve their natural, cultural and historic resources and, therefore, the State of New Hampshire should maintain funding for LCHIP in its next biennial budget. (Majority Vote Required)

On a motion by Al Dimond and seconded by Arne Nilsen.

ARTICLE PASSES.

40. To see if the Town will vote to authorize the Board of Selectmen to dispose of used equipment no longer utilized by the Town. This may be done by sealed bid or public auction with the money received to be deposited into the general fund. (Majority Vote Required)

On a motion by Paul Barrett and seconded by Al Dimond.

ARTICLE PASSES

41. To take up any other business as may legally come before this meeting.

Bernie Cutter wants to thank Steven Hill for the generous donation of the pocketknife to be raffled off for the town. Pat Stephan wants to thank the office staff for the job done on this year's town reports and feels it was very well done. Daniel Peterson makes a motion to have the knife auctioned off to benefit the Old Home Day Committee. Jim Carrick states he believes Mr. Hill's intent from last year was to benefit the Grange Hall. Dan amends it to the grange hall. Seconded by Tom Gagnon. Voted to donate the knife to the Grange Hall. The town clerk states that the town had voted to produce the town reports on a one-year trial basis. What do the people want to do about it for next year. Daniel Peterson thanks the staff for the dedications to the firefighters who had passed away. The group decided to continue to produce the town reports at the office and the town clerk stated that they could use some help with binding, etc.

MEETING ADJOURNED AT 9:35 P.M. ON A MOTION BY LILYAN WRIGHT AND SECONDED BY BERNIE CUTTER.

VOTED TO RAISE AND APPROPRIATE THE SUM OF \$622,917.00

Deborah E. Stevens, Town Clerk

**Listing of Property Owners

SCHOOL WARRANT

To the inhabitants of the Goshen-Lempster Cooperative School District in the towns of Goshen and Lempster, in the County of Sullivan, in the State of New Hampshire, qualified to vote in District affairs.

You are hereby notified to meet at the Goshen-Lempster Cooperative School gymnasium in Lempster on the 6TH day of March, 2004, at seven o'clock PM to act upon the articles set forth in the Warrant. Articles 1 & 2 of the Warrant covering the election of Moderator and Member of the School Board from Lempster will be acted upon at three o'clock PM., and voting will be by official ballot and checklist. The polls will remain open for this purpose from three o'clock (3:00) PM until seven thirty (7:30) PM.

ARTICLE 1.

To choose a Moderator for the ensuing year.

ARTICLE 2.

To choose a member of the School Board from Lempster for a five year term.

ARTICLE 3.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 4.

To see if the School District will vote to raise and appropriate the sum of THREE MILLION TWO HUNDRED SIXTY-ONE THOUSAND NINETY-SEVEN DOLLARS (\$3,261,097.00) for the support of the school, for the payment of salaries of School District officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations voted in other warrant articles. The School Board recommends this appropriation. (Majority Vote required)

Note: The Board anticipates that \$1,605,214.00 from sources other than general taxation will be available to apply towards these expenditures.

ARTICLE 5.

To see if the School District will vote to raise and appropriate the sum of TEN THOUSAND DOLLARS (\$10,000.00) for the purpose of sealing the gym wall exterior. The School Board recommends this article. (Majority vote required)

ARTICLE 6.

To see if the School District will vote to raise and appropriate the sum of FIVE THOUSAND DOLLARS (\$5,000.00) to be added to the School District gym floor replacement Capital Reserve Fund previously established. The School Board recommends this appropriation. (Majority vote required)

ARTICLE 7.

To see if the school district will vote to create an expendable trust fund under the provisions of RSA 198:20-c, to be known as the Roof Repair Fund for the purpose of repairing and maintaining the school's roof. Furthermore to raise and appropriate the sum of FIFTEEN THOUSAND DOLLARS (\$15,000.00) towards this purpose. Furthermore to designate the School Board as agents to expend from this fund. The School Board recommends this appropriation. (Majority vote required)

ARTICLE 8.

To see if the school district will vote to create an expendable trust fund under the provisions of RSA 198:20-c, to be known as the School Flooring Fund for the purpose of replacing flooring in the school. Furthermore to raise and appropriate the sum of FIVE THOUSAND DOLLARS (\$5,000.00) towards this purpose. Furthermore to designate the School Board as agents to expend from this fund. The School Board recommends this appropriation. (Majority vote required)

ARTICLE 9.

To see if the district will vote to raise and appropriate a supplemental appropriation of TWENTY-FIVE THOUSAND DOLLARS (\$25,000.00) for unanticipated special education costs for the current school year. The School Board recommends this appropriation. (Majority vote required)

To transact any other business that may legally come before this meeting.

Given under our hands this 13TH day of February 2004:

Erik Walker, Chairperson

Marianne Dennis, Vice Chairperson

John Hopkins

Lilyan Wright

Carol Whitman

Goshen-Lempster School District

Superintendent's Report

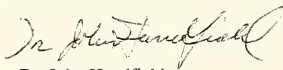

Five years ago I had the distinct pleasure of being selected to serve the Goshen-Lempster School District as its Superintendent. Since then, I have seen many positive accomplishments occur that have allowed us to move to a new level of service to the students and citizens of the Goshen-Lempster community. This past year our school has continued its efforts to provide quality educational services in a fiscally prudent manner as evidenced by the following:

- NH Assessment Analysis Training with Kathe Symonds
- Our in-school "Get Caught Reading Program"
- Personal safety and awareness program for Healthy and Safe Student Behavior.
- The TIGER program from Plymouth State University, which involved the entire school.
- The Language Arts Curriculum Renewal effort using a federal grant.

As many of you may recall, last year's Annual Meeting saw a significant reduction in the School Board's proposed 2003 – 2004 budget approved by a majority of voters present. Indeed, the overall reduction amounted to a 10% cut. This year the School Board is bringing forward a proposed 2004 – 2005 budget that is less than it proposed at this time last year. Certain actions have allowed for this proposal to occur, most significantly long term savings achieved in special education obligations, a reduction in the number of professional staff, and the creation of a high school tuition cap.

In light of the above, I believe the school district is poised to continue its efforts to be a district that its citizens have great pride in and who are strongly committed to provide the support needed to achieve our mission as a public school.

Respectfully submitted

Dr. John Handfield

2003

The impact of a community (through citizen involvement and political support) on its school's environment influences the social, emotional, physical and cognitive factors which affect the hearts and minds of the students. Community involvement combined with the careful planning of the Goshen-Lempster School program, through the efforts of an outstanding school staff and a very diligent School Board, have resulted in a productive and exciting school experience for the children of the community. While it is beyond the scope of this report to outline all of the events of the past year, several of the highlights of the year 2003 are:

JANUARY

Bob O'Dell, New Hampshire State Representative from Lempster, was instrumental in obtaining a new New Hampshire State Flag and a new American Flag (through Senator Gregg's office) for the Goshen-Lempster School. A Flag Raising ceremony was conducted at the school with a school assembly at the flag pole.

School Nurse Rhonda Colcord arranged for a health presentation to students in grades four through eight on the prevention of injuries to the brain and the spinal chord. The THINK FIRST PROGRAM focused on the awareness of the potential dangers of "risky" behavior.

Donna Hatch, special educational assistant, implemented two reading programs. In the first program, AFTER SCHOOL READING CLUB, Ms. Hatch volunteered her time to conduct a reading program that focused on the joy of reading. The other program, GET CAUGHT READING, involved photographing several students each week who were "caught reading" for pleasure during school. Each month, the students received a treat and their pictures were posted on a bulletin board reading display.

Snow Sports Industries America sponsored a cross-country ski program for students in grades four, five and six. The students received an introduction to the program which included safety tips and fittings for equipment. The rest of the day was spent on skis in the school yard.

Jodi Mileti was the winner of the local National Geographic Spelling Bee. Her name was added to an official National Geographic plaque which is posted in the main foyer for school year 2002 - 2003. Other student on the plaque are Helen Powell (2001 - 2002), Hilary Porter (2000 - 2001), and Megan Williamson (1999 - 2000).

FEBRUARY

Vicky Goss organized a series of computer skills workshops for the parents and grandparents of students. Several of Ms. Goss' students assisted her in the skills training sessions.

The Goshen-Lempster School Math Team participated in the annual MATH COUNTS competition at Keene State College. It was an exciting day of meeting other students and teachers from around New Hampshire. The members of the Math Team were eighth grade students Ira Fellows, Christopher Halamoutis, Honi Heino, Angela Jones, Jennifer Luppold, Tania Ross, Rachel Shklar, and Alyssa Wilcox.

The students were treated to a performance of the TIGER Program (A Bully Isn't Your Friend.....Yet!) by Plymouth State College. TIGER is an acronym for Theatre Integrating Guidance, Education and Responsibility. The focus of the program was to provide an entertaining presentation with actors, puppets, theatre, movement and music to enable children to step back from the trauma of bullying to find peaceful and effective solutions.

MARCH

March is always a month of much trepidation in terms of monitoring the status of the current operating budget and anticipating the public reaction to the proposed budget for the next school year at the School District Meeting. Due to unforeseen special education costs, which created a potential short fall in our current budget, a necessary "freeze" of discretionary spending was enforced. The effect was the cancelling of many student activities. At School District Meeting, \$150,000.00 was cut from the proposed budget for 2003 - 2004; that resulted in the cutting of programs, supplies and student activities.

This year's Project Fair was a Science Fair. On the evening of March 27, many parents and guests viewed a variety of outstanding projects and activities presented by the students. Prior to the Fair, Ms. Tirrell's Third Grade Class provided a spectacular meal with its traditional annual Cheap Night Out dinner.

APRIL

At strategic points throughout the school year, the school administration arranges for consultants to come to the Goshen-Lempster School to conduct workshops as professional development activities for our staff. The focus for staff development in April was on Differentiated Instruction, led by nationally renowned Susie Girardin. The reality of a classroom setting is that the student group is heterogeneous with students who struggle academically and others who are advanced beyond their peers. Differentiated classroom instructional strategies insure that the needs of all learners are met.

MAY

Tuesday, May 6 was declared as National Teacher Day. As a celebration for teacher appreciation, the P.T.C. (under the direction of Debra Dustin) provided a spectacular luncheon for the staff. The faculty room was set-up in style with a delicious buffet that was prepared by parents of students.

Dr. Lilyan Wright (Goshen-Lempster School's Super Volunteer), who created the district's Field Hockey Program years ago, initiated a Lacrosse Program for our students. The students were very excited about this new program. Dr. Wright is an amazing person; not only does she volunteer an enormous amount of time to work with children, she also is a member of the School Board (not to mention numerous other community organizations).

The Childrens' Literacy Foundation (CLiF) made a grant award to the Goshen Public Library. There was an assembly at school to celebrate the grant award and to showcase the Goshen Library's book purchases. Duncan McDougall of the Literacy Foundation presented the books to the students and read them a story. Goshen Librarian Ethel Nilsen made the books available for check-out to all of the students.

JUNE

Eighth Grade Graduation Exercises were held on the evening of June 18. Class Co-Salutatorians Alyssa Wilcox and Laura Groat welcomed parents and guests, and Co-Third Honors students Tania Ross and Ira Fellows introduced the graduates. Class Valedictorian Honi Heino bid farewell to the Goshen-Lempster School on behalf of her classmates. Ms. Chadwick and Mr. Bonfiglio presented awards to the graduating students, and School Board Chairman Eric Walker issued the diplomas. The P.T.C. and parents of the seventh grade students sponsored the graduation reception.

JULY

The Goshen-Lempster Curriculum Team (comprised of classroom teachers Beth Titlon-Wahlert, Frances "Kitty" Davis, Janis Bellavance, Sue Roberts, Sandra Lord, Rachel Tirrell, and Christine Santerre) revised the Language Arts Curriculum across the developmental span of kindergarten through eighth grade in accordance with Federal and New Hampshire standards for Literacy. This cohesive teaching instrument enables the classroom teachers to have a common foundation for instruction, providing reading and writing rubrics for consistent assessment throughout the grade levels. The curriculum also includes a "traveling writing portfolio" system from kindergarten through eighth grade. Reviewing and updating each student's portfolio from year to year will assist the teachers with the student's writing skill development.

AUGUST

The staff returned to school to begin a new school year on August 21. Prior to the students arrival, professional and paraprofessional staff members engaged in a series of workshops and staff development activities. Dr. Kathe Simons led a workshop, entitled Harvesting the NHEIAP, in which the common test items of the New Hampshire Assessment were examined and explored to develop improved teaching strategies. As part of the Professional Development Academy with S.A.U. #43, our staff participated in a session on Thinking Strategies to teach students to ask poignant questions of reading material for the improvement of comprehension. In addition, the staff participated in the workshop Determining Importance which focused on skill development for students as they sift through a multitude of information.

The P.T.C. under the direction of Debra Dustin, sponsored the "Ice Cream Sunday" Social as an opening event for the new school year. Students, parents and staff members came together in a social setting to make acquaintances and to discuss the upcoming year while enjoying an ice cream sundae.

SEPTEMBER

The new school year opened with a welcome back assembly to introduce new staff and students and to kick-off the year on the theme"Anything you can conceive and believe - you can achieve". There were some changes in staffing and in the building arrangement. The fourth grade class was moved from the primary educational team to the middle level educational team, and the special educational facilities were relocated to be closer to the school office. During the summer, School Nurse Rhonda Colcord relocated to Florida, and registered nurse Heidi Wilcox of Goshen was hired as our new school nurse. With the resignation of Librarian Tanna Cota, the School Board made the decision to transform Vicky Goss' position of Technology Facilitator into Media Generalist. As a result, Ms. Goss is in charge of the operation of our Media Center (with a newly created computer-center); she is also in charge of technology-school wide.

OCTOBER

On October 10, the Lempster Fire Department conducted a Fire Safety Program for our students which consisted of two presentations. One presentation was entitled How Flames Grow; the other presentation, Midnight Fire Alarm, included a relay race of putting on fire equipment. The Fire/Rescue Team members who presented the programs were Lempster Fire Chief Phillip Tirrell, Captain David Loring, Lieutenant Barbara Chadwick, Firefighter Mark Magoon, and Fire Rescue Personnel Loretta Hull.

Our Physical Education Teacher, Christine Williams, received a PEP Grant as part of the Physical Best Project. The focus of the grant was to train schools in a wide research effort to measure the effectiveness of strategies that are being utilized to assist our youth to compensate for sedentary lifestyles. The grant provides training in data collection, laptop computers, and equipment such as pedometers. The grant also provides assistance with the implementation of new Physical Education Programming.

NOVEMBER

The Goshen-Lempster Cooperative School District continued its project with Women's Supportive Services of Sullivian County to provide age appropriate training for our students in Conflict Resolution, Bully Proofing, and Personal Safety & Awareness. The students, depending on the grade level, deal with such issues as peer pressure, harassment, bullying, sexuality and substance abuse. A special fourteen week program is implemented for our eighth grade students. The primary focus of these programs is to increase our students' decision making and assertiveness skills.

DECEMBER

On the evening of Thursday, December 18, the students delighted parents and guests with a Holiday Concert. Under the direction of Music Teacher Patricia Waitzer, the students assembled in tiers for choral presentations of a variety of festive selections. The school band also performed a number of instrumentals. Cindy Phillips and Eric Walker volunteered their talents for guitar accompaniment. Seventh grade student Stephanie Bagnall announced the performances, and there were solo singing presentations (Caitlin Robinson and Joshua Jude) and solo instrumental performances (Doug Fellows and Abe Shklar).

- - - - -

Each year, all grades, with the exception of kindergarten and first grade, participate in achievement testing. Grades 3 and 6 receive the New Hampshire Assessment while grades 2, 4, 5, 7 and 8 take the Terra Nova Battery. The New Hampshire Assessment classifies results into proficiency levels through the use of mean scaled scores; NOVICE (200 - 239), BASIC (240 - 259), PROFICIENT (260 - 279), ADVANCED (280 - 300). Our **grade 3 results** were far better than any results in the past with an English score of 257 (very nearly into the Proficient Range) and a Mathematics score of 266 (well into the Proficient Range). The **grade 6 Assessment scores** also improved over last year (5 points higher in English at 243 and 2 points higher in math at 243). Although the scores did improve, there certainly is room for improvement.

The Terra Nova Battery uses proficiency levels that closely align with those of the New Hampshire Assessment. There are five levels: Step 1 (ie. NOVICE), Progressing (lower BASIC), Nearing Proficiency (upper BASIC), Proficient, and Advanced. The following is an account of the results by class in terms of percentages of the class scoring in each level of each test area.

Many of us recall a time when schools were the central focus of community pride. A community was often judged by its school system. Today, the school and the community have drifted apart, each struggling to adjust to tremendous socioeconomic and demographic changes. The issue is complex, involving local zoning laws, property tax structures, housing, and employment patterns. We always assumed that public support would be there; however, lack of financial support means fewer educational resources. Today's schools are producing remarkable achievements in the education of a student population with an ever growing diversification of needs. The challenge upon us is to strengthen the school/community partnership and to ensure that the school and the community are powerful allies for our children and their future.

Respectfully submitted,

John Bonfiglio

ANNUAL MEETING OF THE GOSHEN-LEIPSTER SCHOOL DISTRICT

for FISCAL YEAR JULY 1 2003 - JUNE 30, 2004

Meeting Held March 8, 2003

Polls opened at 3:00 for ballot voting on Articles 1 and 2.
Voting was by official ballot and check list.

Article 1. To choose a moderator for the ensuing year.

Michael Shklar was elected.

Article 2. To choose a member of the School Board from Goshen for a five year term beginning March 9, 2003.

John P. Hopkins was elected.

The business meeting was called to order at 7:00P.M. by the Moderator. Ground rules for conduct and voting were reviewed. The warning for the Meeting was read out loud. Articles 1 and 2 were read aloud.

Article 3 was read:

"To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto."

The article was moved, seconded, and passed.

Article 4 was then read:

"Whereas N H School Districts face ever tightening budgets; and Whereas N H School Districts are finding it increasingly difficult to raise and appropriate sufficient dollars on the local level to provide their students a quality education; and Whereas newly enacted and existing federal mandates have placed an undue and heavy burden on local school district budgets:

Be It Therefore Resolved: That the voters of the District vigorously oppose any and all unfunded and underfunded federal educational mandates, including but not limited to, those contained in the recently enacted No Child Left Behind Law as well as those mandates historically unfunded within the IDEA/Special Education Laws."

Action made by Mr. Robinson; second by Phyllis Clark.

Discussion followed; opened by Lilyan Wright who gave background explanation of the laws. A greater definition of unfunded and underfunded was asked for, and State Rep. John Cloutier was allowed to speak to update this. A citizen commented following which Doris Adler gave further explanation of the NCLB law. Next Erik Walker made points also on NCLB. Bud Newton spoke with examples about money from Washington going for pork and other private projects rather than to needy districts.

District Meeting March 08, 2005

The Moderator then called for a voice vote. Article 4 passed nearly unanimously.

The Moderator then asked if anyone in the room was not a registered voter. Those few were asked not to vote and neighboring parties to keep watch.

Article 5 was then read. "To see if the School District will vote to raise and appropriate the sum of THREE MILLION THREE HUNDRED ELEVEN--THOUSAND NINE HUNDRED SIXTY-NINE DOLLARS(\$3,311,969.00) for support of the school, for the payment of salaries of School District officials and agents, and for the payment for statutory obligations of the district. This article does not include appropriations voted in other warrant articles. The School Board recommends this appropriation.

(Majority vote required) Note: The Board anticipates that \$1,829,201.00 from sources other than general taxation will be available to apply towards these expenditures."

The Moderator called for a motion on this article.

Chmn. Erik Walker made the motion; seconded by Marianne Dennis.

Mr. Walker began the budget presentation by explaining the budget process done by the Board and expressing the frustration shared by the Board over rising costs. Particular reference was made to the tuition cap, tough teacher negotiations, and technology items. The fact that every line item had been reviewed and scrutinized was stressed. At the Moderator's call for anyone to be heard on the article,

Kevin Onnela made a motion to amend the article to \$3,020,833 (level funding). This was seconded. There seemed to be no discussion, then

Mr. Fred Smith moved to call the question. This was seconded. The Moderator called for more discussion, allowing M. Dennis to speak to explain what a cut would mean to the school. Mr. Smith renewed his motion to cease debate. A show of hands passed this motion. The action moved to a vote on the amendment. There were 55 votes^{for} and 91 against this amendment. The amendment was defeated. Discussion returned to the main article. A number of questions were asked such as the savings realized by the tuition cap, the per cent increase of the budget, how a previous year's surplus was treated, etc.

District Meeting March 08, 2003

Carla Labounty addressed the effect on regular ed. students vs. required expenditures for other obligations. Mike Newton spoke on transportation issues.

Doris Adler made a motion to reduce the budget figure to \$3,161,969. This was seconded by Karrie Goodspeed. Explanation was offered that due to reduced numbers of students, there could be a reduction in staff, both professional and paraprofessional. Reference was also made to the technology position. There were further questions, statements from the Chair, and clarification by Ms. Adler. Then the motion was called. That passed on a voice vote. Moving to the amendment, the Moderator called for a vote by show of hands. On count, there appeared to be 83 for the amendment and 84 against. This count was contested by Kevin Onnela who asked for a ballot vote, which was joined by many others. A vote by paper ballot and checklist ensued. At the close of voting and counting of votes, there were 99 yes for the amendment and 95 no against the amendment. The main motion as amended on Article 5 was then called and it passed with a show of hands. Article 6 was then read: "To see if the School District will vote to raise and appropriate the sum of NINE THOUSAND DOLLARS(\$9,000) for the purpose of repairing the roof over the library. The School Board recommends this appropriation. (Majority vote required)."

This article was moved by Janet Gibson and seconded by John Fabrycky. Short discussion followed, including the point made that this should go out to bid. Article 6 passed with a show of hands.

Article 7.: "To see if the School District will vote to raise and appropriate the sum of FIVE THOUSAND ^{DOLLARS} (\$5,000.00) to be added to the School District gym floor Capital Reserve Fund previously established. The School Board recommends this appropriation. (Majority vote required)." The article was moved by Lilyan Wright and seconded by Janet Gibson. Discussion followed. This is essentially a savings account for the eventual replacement of the gym floor. There is still a moisture problem not fully solved. Point was made that the problem should be solved before any more money set aside. The article was defeated by a show of hands.

ARTICLE 8. : "To see if the School District will vote to raise and appropriate the sum of FOURTEEN THOUSAND DOLLARS(\$14,000.00) for the purpose of implementing Phase II of the School District's three year technology plan. The School Board recommends this appropriation. (Majority vote required)." read by Moderator. The article was moved by Marianne Dennis and seconded by Carol Whitman. Ms. Dennis outlined the purposes for the money: changing the library into a media center, networking all computers, purchase of 8 new computers. A grant will help if the school receives it. There was an extended question and answer period, also with commentary from various citizens. The question was called by Paul Barrett, with second by Everett Thurber. This passed by voice vote. The main motion was then brought up for vote and appeared to pass, but was questioned by Kevin Onnela. A specific hand count showed 94 for this article and 66 against. The article passed.

Article 9. : To transact any other business that may legally come before this meeting.

There seemed to be no other business and so a motion to adjourn was made. At the moment of the second the Moderator was led to observe that a citizen was attempting to make a motion. Gary Dennis was then recognized and he moved to reconsider Article 5. This was seconded, but on a voice vote this motion was defeated. The motion to adjourn was then accepted and the meeting adjourned on a voice vote.

Respectfully submitted,

John F. Hopkins, Clerk

INDEPENDENT AUDITOR'S REPORT

To the School Board
Goshen-Lempster School District
Lempster, New Hampshire

We have audited the accompanying general purpose financial statements of the Goshen-Lempster School District as of and for the year ended June 30, 2003, as listed in the table of contents. These general purpose financial statements are the responsibility of the Goshen-Lempster School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included in order to conform with accounting principles generally accepted in the United States of America. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Goshen-Lempster School District as of June 30, 2003, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Goshen-Lempster School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

A stylized, handwritten signature in dark ink that reads "Grzelak and Company, P.C.".
